

DD/S&T-6058-65

27 December 1963

MEMORANDUM FOR: DD/P/SOD
DD/P/TSD
DD/S/Commo
DD/S&T--ORD
OSP
OSA
OEL

SUBJECT: Summary of Suggestions by NASA
Headquarters Personnel as to
Ideas that May Have Application
to the War in Southeast Asia

The attached document came to the DCI through this office in response to his request after attending a NASA advanced technology briefing covering their current support to the Air Force in the area of limited warfare. It is forwarded for your information and possible utilization in connection with the Agency's own R&D efforts in support of limited warfare.
